

WEEK - III REPORT

Activity 2.3 - Create Empathy Map Canvas

We were asked to create an Empathy Map, which describes the problem from the User's Point Of View, so we designed them using an Online Tool. Now we are waiting for Mentor's approval.

Activity 2.4 - Attend the training , Quiz-1 & Assignment-1

All the members including the leader attended the class and as a part of knowledge check, we all were asked to complete a quiz and an assignment.
