WEEK - VII REPORT

Activity 4.1 - Submit Customer / User Journey Maps in GitHub

As a part of Project Design Phase - 2, we were asked to make a Customer / User Journey Map for the problem described, i.e, Web Phishing Detection. The submitted Customer/User Journey Map contains the details as described in the template.

Activity 4.2 - Attend the training , Submit the Assignment-4

All the members including the leader attended the class and practiced the exercise along with them and completed Assignment - 4.
